G003 - Gremester Sprint 4 Retrospective

Harsha Pitawela- Product Owner
Avanti Deshmukh - Scrum Master
Julia Chaloupka
 Linh Pham

What went right?

- Successfully installed Teaspoon to measure Javascript code coverage

- Created user acceptance testing document and sent it to our external product owner
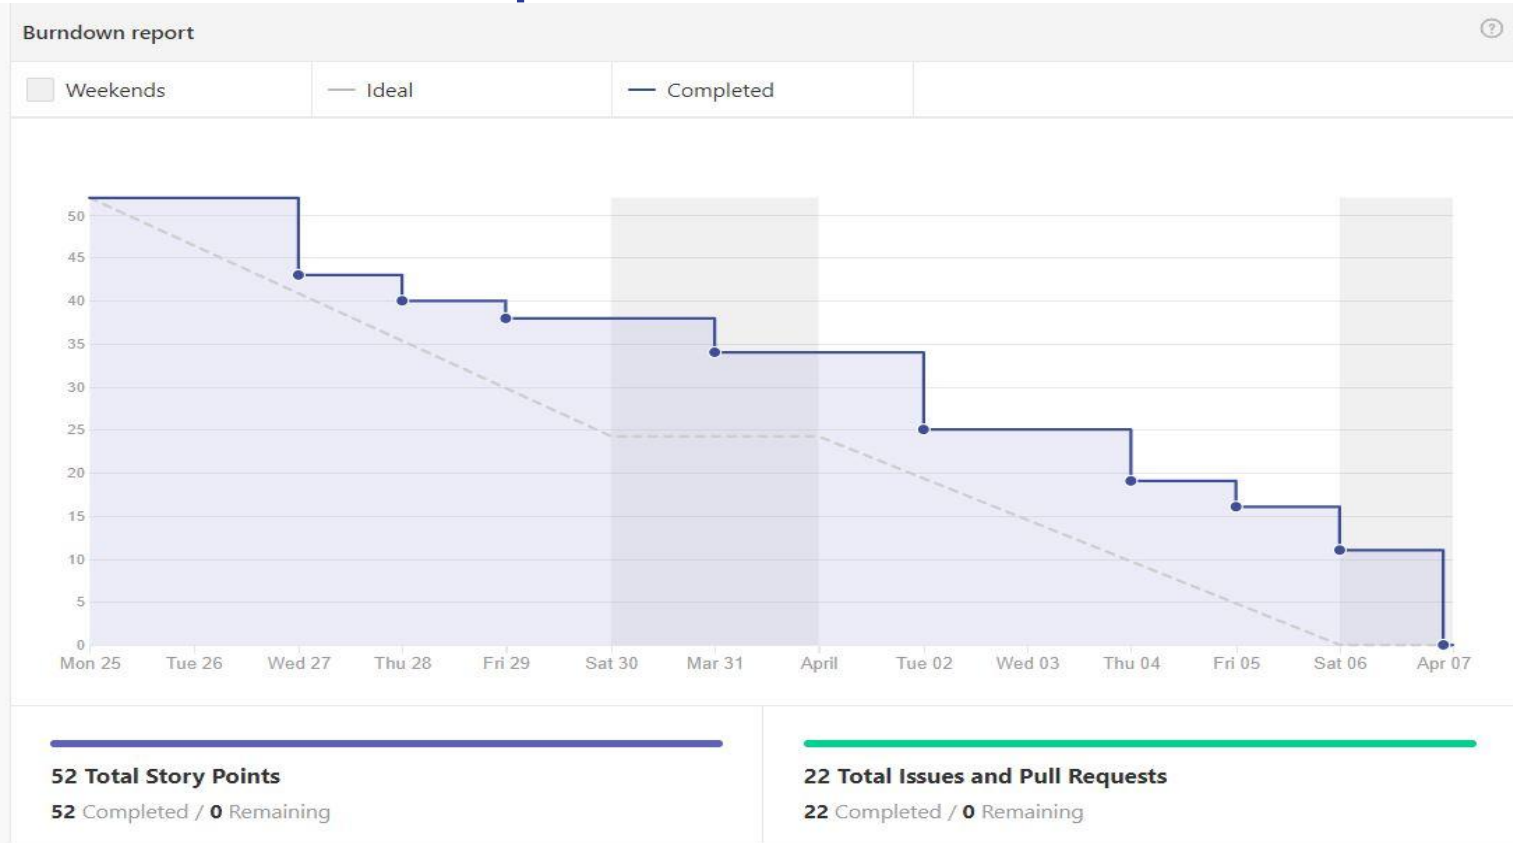

What went wrong?

- Still having problems mocking ajax requests using Jasmine

Burndown Chart Sprint 4

What we need to change for next sprint?

- Increase Jasmine coverage for Javascript
